

TribU2 - A Tribute To U2 / The audiovisual U2-Show

"TribU2 - A Tribute To U2" (www.tribu2.at) is an Austrian U2 tribute band that has pursued a clear goal since its formation in 2003: to bring to the stage the most authentic possible reproduction of the unique atmosphere, unmistakable sound, distinctive visual style, and extraordinary showmanship of the Irish rock superstars U2.

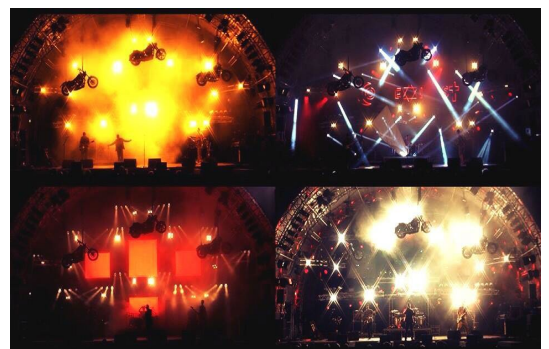

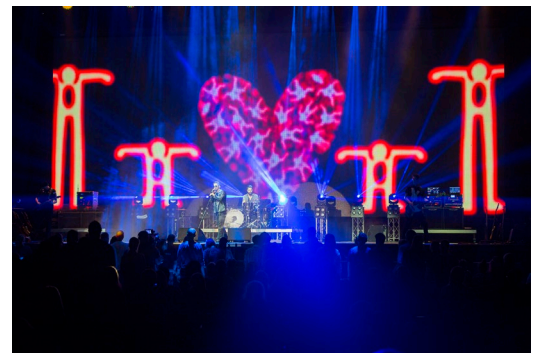

After more than 20 years of intensive rehearsals, meticulous sound crafting, and numerous concerts across Austria, Germany, France, Italy, the Czech Republic, and Luxembourg, the band - comprising vocalist Michael Mold (Bono Vox), guitarist Gernot Schödl (The Edge), bassist Florian Schmid (Adam Clayton), and drummer Reinhard Schwarzwinger (Larry Mullen Jr.) - has established itself as a fixture of the national and international tribute scene.

The band - described by U2's record label, Universal Music Austria, as "*Austria's best U2-tribute-show*" (with Radio 88.6 even calling them "*Europe's best U2-tribute-show*") - has previously performed for clients such as Universal Music Austria, Harley Davidson Europe, *Die Presse*, the Irish Embassy, and Junge Wirtschaft Österreich. Their performance history includes events such as European Bike Week in Faak, the New Year's Eve Trail (*Silvesterpfad*) at Vienna's City Hall Square, the Danube Island Festival (*Donauinselfest*), and shows at venues including the Prater, Orpheum Wien, Szene Wien, U4, EMS-Lounge, Bettfedernfabrik, and the Pyramide event hall in Vienna. A major highlight in the band's history to date was a concert in December 2015 at the Wiener Stadthalle (Main Hall D) alongside German comedian Otto Waalkes at a charity event for "Licht ins Dunkel."

With original audio backing tracks, stage outfits spanning various U2 eras, and a unique European video show- featuring meticulously crafted, authentic reproductions of animations from U2 concerts over the decades- TribU2 delivers a top-tier audiovisual experience.

Their live shows feature U2's greatest hits - such as "Sunday Bloody Sunday," "I Still Haven't Found What I'm Looking For," "Where the Streets Have No Name," "With or Without You," "One," "Pride," "Beautiful Day," and "Vertigo" - alongside numerous other songs from the band's 50-year history.

For anyone wanting to enjoy U2's sound and spectacle - even when the original band isn't touring or performing nearby - TribU2 is the perfect choice. Combining U2's biggest hits with a performance defined by powerful vocals and musical excellence, TribU2's audiovisual show offers an unforgettable experience for everyone, not just die-hard U2 fans.
